# Mountain States 2022 Ladies Retreat

## Speaker Bio : Corinne Carlson

Corinne was born in southern France and introduced to Jesus by her parents, grandparents and great-grandparents. She studied nursing in Calgary, Canada, but it was in Colorado, at camp that she surrendered her life to God and met her husband, Fred, who was preparing to be a missionary pilot.

After Corinne and Fred were married they served the Lord together as missionaries to the Turks and Caicos Islands, Haiti, and the Bahamas. Eight years, and 3 children later, God moved their family to serve Him at Wilderness Trail Bible Camp, where they had their 4th child. Eventually Corinne and her family moved to Pensacola Christian College where Fred taught for 21 years and Corinne served as a nurse in the college clinic.

Corinne's 4 children now serve the Lord in 4 different states and have blessed her with 7 grandchildren-- 3 of which have already asked Jesus to be their Savior! Last year Corinne and Fred moved back to Colorado in order to serve the churches of the West. Corinne continues to serve her community as a nurse while she and Fred help in their local church. Corinne's greatest desires are to glorify God every day, fulfill her calling to be Fred's wife, encourage her adult children and her grandchildren in their walks with the Lord, and encourage her sisters in Christ to grow in grace.
